Nestled deep in the rolling hills of West Texas, the Carson family has been ranching for over a century. Their Mustang Creek ranch is a sanctuary for horses and a living testament to the enduring spirit of the American cowboy. Spanning three generations, *Always Cowboy* chronicles the lives of the Carsons, a family whose deep-rooted passion for the land, horses, and the cowboy way of life has shaped their destiny.

The patriarch of the family, old John Carson, was a true pioneer of the Wild West. He arrived in Texas in the late 1800s and quickly established himself as a skilled horseman and cattleman. John's love for horses was infectious, and he passed on his knowledge and passion to his children and grandchildren.

John's son, Jim, inherited his father's love for the land and the cowboy lifestyle. Jim became a renowned horse trainer, known for his ability to break and train even the most spirited steeds. Jim's sons, Tom and Bill, followed in their father's footsteps, becoming accomplished horsemen and steadfast supporters of the family's ranching tradition.
