

Minecraft: Simple Modern House and Survival House

Minecraft is a sandbox video game that allows players to build, craft, and explore their own virtual worlds. One of the most popular aspects of Minecraft is building, and there are countless different types of houses that players can create.

If you're new to Minecraft, you might be wondering how to build a house. In this article, we'll show you how to build two different types of houses: a simple modern house and a survival house.

Simple Modern House

The first house we'll build is a simple modern house. This house is easy to build and perfect for beginners. It's also a great house to use as a base for

survival mode.

Materials

- 20 wooden planks
- 10 glass panes
- 1 door
- 1 crafting table
- 1 furnace
- 1 bed

Instructions

1. Start by building a frame for the house. The frame should be 5x5 blocks wide and 3 blocks high.
2. Add a roof to the house. The roof can be any shape you want, but the easiest roof to build is a flat roof. Simply extend the walls of the house up by 1 block and then add a row of slabs on top.
3. Add windows and a door to the house. The windows can be any size or shape you want. The door should be 2 blocks high and 1 block wide.
4. Build a small porch in front of the house. The porch can be any size or shape you want, but the simplest porch to build is a 2x2 square.
5. Finish off the house by adding any details you want, such as a mailbox, a garden, or a fence.

Survival House

The second house we'll build is a survival house. This house is designed to be strong and durable, and it's perfect for surviving in the wilds of Minecraft.

Materials

- 200 wooden planks
- 50 cobblestone
- 20 glass panes
- 1 door
- 1 crafting table
- 1 furnace
- 1 bed

Instructions

1. Start by building a frame for the house. The frame should be 7x7 blocks wide and 5 blocks high.
2. Add walls to the house. The walls should be 2 blocks thick.
3. Add a roof to the house. The roof can be any shape you want, but the easiest roof to build is a flat roof. Simply extend the walls of the house up by 1 block and then add a row of slabs on top.
4. Add windows and a door to the house. The windows can be any size or shape you want. The door should be 2 blocks high and 1 block wide.

5. Build a small porch in front of the house. The porch can be any size or shape you want, but the simplest porch to build is a 2x2 square.

6. Finish off the house by adding any details you want, such as a mailbox, a garden, or a fence.

Now that you know how to build a simple modern house and a survival house, you can start building your own Minecraft world! There are countless different possibilities when it comes to building in Minecraft, so let your imagination run wild.
