Grammar

Portuguese grammar is relatively simple. The basic sentence structure is subject-verb-object. Portuguese also has a number of verb tenses, including the present, past, future, and conditional. Portuguese grammar also has a number of different ways to express possession, such as the possessive adjectives "meu" (my), "teu" (your), and "seu" (his/her).

Vocabulary

Portuguese vocabulary is very similar to Spanish vocabulary. However, there are some key differences. For example, the Portuguese word for "house" is "casa", while the Spanish word for "house" is "casa". The Portuguese word for "car" is "carro", while the Spanish word for "car" is "coche".
