## The Basics of the Maryland Pick Mid Eve Box Str8 System

The Maryland Pick Mid Eve Box Str8 System is a two-part system. The first part involves selecting a group of numbers that you believe are more likely to be drawn. The second part involves creating a series of box and straight bets using those numbers. A box bet covers all possible combinations of

the numbers you select, while a straight bet covers only the exact order in which the numbers are drawn.

For example, if you select the numbers 1, 2, and 3, you could create a box bet that covers all six possible combinations of those numbers: 123, 132, 213, 231, 312, and 321. You could also create a straight bet that covers only the exact order in which the numbers are drawn, such as 123.
